

## YAMASHIN-FILTER Quality Policy

- We will ensure to practice our corporate philosophy, “仕濾過事” (*Rokajinitsukafuru*), which expresses our commitment to contributing to society through the filtration business.
  - As a filter manufacturer, we will strive for continuous quality improvement activities and will make every effort to strictly pursue customer expectations, to provide services that both meet and exceed those expectations.
  - We will eliminate quality defects by meeting the requirements of our quality management system and continuously improving its effectiveness.
  - We will permanently secure the management resources necessary to implement and improve our system.
  - We will conduct management meetings to review and continuously improve the appropriateness of our quality policy, and the setting of quality objectives.
